TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF PETERBOROUGH IN THE COUNTY OF HILLSBOROUGH, IN SAID STATE QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet at the Town House in said Town on Tuesday, the tenth of March next, at eight of the clock in the forenoon, (Polls close at 1 P. M. unless otherwise voted) to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing, and to vote to see if beano shall be legalized in said Town.

Article 2. To raise and appropriate such sums of money as may be necessary for Town Officers' Salaries, Expenses and Election and Registration, Municipal Court, Town House, Police Department, Fire Department, Civilian Defense, Tree Spraying, Dutch Elm Disease, Health Department, Town Dump, Vitals, for laying out and repairing of the Highways, Street Lighting, Old Age Assistance and Town Poor, Memorial Day, Adams Playground and Pool, Putnam Park, Cemetery, Town Library, Town Water Charge, Monadnock Region, Town Planning Board, and for any other charge arising within the Town.

Article 3. To see what sums of money the Town will vote to raise and appropriate toward paying the Town Debt and Interest.

Article 4. To hear the reports of Agents, Auditors and Committees or Officers heretofore chosen, and to pass any vote relating thereto.

Article 5. To see if the Town will vote to accept legacies and gifts given to the Town in trust or otherwise by any individual or individuals.

Article 6. To see what sum of money the Town will vote to raise and appropriate to place in a Capital Reserve Fund for the future purchase of equipment for the Highway Department, the Police Department and the Fire Department as recommended by the Planning Board, or take any other action relating thereto.

Article 7. To see if the Town will vote to raise and appropriate the sum of One Thousand Ninety Dollars and Thirty Seven Cents (\$1,090.37), provided the State gives Seven Thousand Two Hundred Sixty Nine Dollars and Fifteen Cents, (\$7,269.15) for the construction of Class V Highways.

Article 8. To see if the Town will vote to authorize the Selectmen to purchase a new Fire Truck, trade in or sell the La-France Truck toward same, to use such funds as are credited to the Fire Department in the Capital Reserve Fund and pay any balance by notes on the Town, or raise and appropriate money for the same, or take any other action relating thereto.

Article 9. To see if the Town will vote to further improve the Skating Rink area this year, and raise and appropriate a sum of money from the Albert W. Noone Trust Fund, or take any other action relating thereto.

Article 10. To see if the Town will vote to close the following Public Highways, subject to Gates and Bars:—

1. Spaulding Road (sometimes called Drury Road) from Sharon Road to the Sharon Town Line.
2. General Miller Road from the residence of Howard E. Thompson, M. D. to the Old Greenfield Road.
3. Gray Hill Road from the Old Greenfield Road to the entrance drive to the George S. Parker Estate.

Article 11. To see if the Town will vote to authorize the Selectmen to purchase a new Police Cruiser and exchange the present one and to withdraw from the Capital Reserve Fund credited to the Police Department such sum of money as may be necessary to pay for the same, or take any other action relating thereto.

Article 12. To see if the Town will vote to discontinue Bridge Street from Grove to Granite Street, subject to the right of ways of all public utilities now having lines on this street, or take any other action relating thereto.

Article 13. To see what sum of money the Town will vote to raise and appropriate for the construction of a gravel road leading from Goyette Drive to the Old Dublin Road, or take any other action relating thereto.

Article 14. To see if the Town will vote to construct Lobacki Drive from a point on Route 101 near the residence of Carl Lang over a right of way deeded to the Town to another entrance on Route 101 to be built only upon the completion of certain water lines and grading as shall be acceptable by the Board of Selectmen. To raise and appropriate money for the same, or take any other action relating thereto.

Article 15. To see what sum of money the Town will vote to raise and appropriate for the purpose of acquiring land to widen and extend Vine Street from a point near the entrance to the property of the late Charles H. Cutler, M. D. over a portion of the land of Robert E. Richardson and the School House lot, easterly and southerly to a culvert at the southeast corner of the school

lot, thence westerly and northerly over land of the school lot to place of beginning, or take any other action relating thereto.

Article 16. To see if the Town will vote to construct a certain portion of a layout of roads on Maple Hill Acres. Provided certain easements and other conditions are met to the satisfaction of the Board of Selectmen. To raise and appropriate money for the same, or take any other action relating thereto.

Article 17. To see if the Town will vote to install the following Street Lights:—

- A. One 1000 lumen street light on Webb Road near lot No. 25.
- B. One 1000 lumen street light at intersection of Webb Road and Goyette Drive.
- C. One 1000 lumen street light on Goyette Drive near the residence of Leroy A. Pettee.

and raise and appropriate money for the same, or take any other action relating thereto.

Article 18. To see what sum of money the Town will vote to raise and appropriate and place in the Capital Reserve Fund to defray the Town's share of the cost of a new bridge over the Con-toocook River at Bridge Street, or take any other action relating thereto.

Article 19. To see if the Town will vote to raise and appropriate the sum of Four Hundred Dollars (\$400.00) to be used in cooperation with the State and Federal Funds, for the control of White Pine Blister within the confines of the Town.

Article 20. To see if the Town will vote to authorize a Committee appointed by the Moderator, or by the Town to negotiate with the Boston and Maine Railroad for the possible purchase of the so-called Depot Property for parking purposes and also any property for parking purposes within the compact or business area of the Town. Said Committee to make their report to this Annual Meeting or Special Town Meeting that may be called for the said purpose, or take any other action relating thereto.

Article 21. To see if the Town will vote to raise and appropriate a sum of money for the purpose of purchasing from the Boston and Maine Railroad the Depot Property, so called, for parking purposes, or any other property for parking purposes, within the business or compact area of the Town. Such sum of money to be raised by the issuance of serial bonds or notes under and in accordance with the provisions of the Municipal Bond Statutes and amendments thereto, and to authorize the Selectmen to issue and negotiate such notes, and determine the time and place thereof under such terms and conditions as they deem to be in the best interest of the Town.

Article 22. To see if the Town will vote to authorize the Selectmen to purchase a used Power Shovel should one be available at a price not to exceed Thirty Five Hundred Dollars (\$3,500.00) and authorize the Selectmen to pay for same by notes on the Town, or take any other action relating thereto.

Article 23. To see what sum of money the Town will vote to raise and appropriate for the painting and repair of the Town House, or take any other action relating thereto.

Article 24. To see if the Town will vote to accept as a gift by deed the Contoocook Dam opposite Main Street Bridge and the Nubanusit Dam opposite Grove Street Bridge, or take any other action relating thereto.

Article 25. To see if the Town will vote to raise and appropriate the sum of Forty Five Hundred Dollars (\$4,500.00) to lay the necessary pipe on Grove Street within the present construction area Route 101 for probable future use for a sewer main, or take any other action relating thereto.

Article 26. To see what sum of money the Town will vote to authorize the Selectmen and the Town Treasurer to borrow in anticipation of collection of taxes for the current Municipal Year, and to issue in the name and on the credit of the Town, negotiable notes therefor, said notes to be paid in the current Municipal Year from taxes collected during the current Municipal Year.

Article 27. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deed.

Article 28. To transact any other business that may legally come before this meeting.

Given under our hands and seal this twenty-first day of February, in the year of our Lord Nineteen Hundred Fifty Nine.

REPORT OF THE BUDGET COMMITTEE

Again this year, your Budget Committee has met with the School Board and Board of Selectmen and has carefully studied their budgets.

Goods and services continue to rise in cost. Therefore, it has become difficult to even hold the line, let alone reduce expenditures. Some of our recommendations to the School Board and Town Officials that certain expenditures be postponed in the interest of keeping the tax rate as low as possible, have been incorporated in the budgets to be voted on March 10th. However the total amount to be raised by taxation for Town and School purposes will be considerably greater than in 1958, resulting in a substantial increase in the tax rate.

We comment here only on those articles or items which we feel should be brought to your attention.

TOWN BUDGET

Article 2:

Your Budget Committee concurs with all the items presented in the 1959 budget. Voters will recall that at the Town Meeting held in March 1958, many comments were made relative to the receipts that a new grader would bring to the Town. Your Budget Committee asked the Selectmen just how much the new grader did in fact earn for the Town during 1958. The answer was that the information was "not available". It is our opinion that records should be maintained which would readily reflect the receipts earned by the various pieces of equipment owned by the Town.

Article 6:

The original 1959 budget proposed to raise a sum of \$7500.00 for the Capital Reserve Fund for the future purchase of Highway, Police, and Fire Department equipment. This amount of \$7500.00 was established several years ago. Due to the inflationary pressures of which we are all aware, your Budget Committee concurs with the Selectmen that this sum is insufficient to pay for periodic replacement of equipment. We agree that this appropriation should be increased to \$10,000.00 PROVIDED the allocation of funds remains the same as heretofore — i.e. Highway 67%, Fire 27%, Police 6%.

Article 8:

Your Budget Committee is in agreement that a new fire truck should be purchased provided the funds come from the Capital Reserve Fund. We recommend that the Fire Department be given the discretion of choosing the equipment best suited to their needs.

Article 11:

Here we also agree that a new police cruiser should be purchased out of the Capital Reserve Fund. Our recommendation is that specifications be drawn up and a request for bids be published.

Articles 13, 14, 16:

With respect to the proposed Lobacki Drive, Webb Road and Maple Lane, the Budget Committee did not get cost figures from the Selectmen in time to give them proper study. Peterborough must grow and to do so home building must be encouraged. We therefore feel these streets should be accepted and completed by the Town provided the developers, in each case, meet all specifications.

Article 15:

We on the Budget Committee understand the proposed extension of Vine Street contemplates accomplishing two things:

1. Widen a portion of Vine Street in order to relieve traffic problems.
2. Take care of surface water drainage in the area.

After some discussion, it appears that this request is premature and the problem calls for much more study than has been given it. Our recommendations are:

1. Restrict parking on both sides of Vine Street from the corner of High Street to the Consolidated School Drive.
2. Appropriate a sum not to exceed \$500.00 to hire a competent engineer to study and recommend ways and means of correcting the drainage problem.

Articles 20, 21:

A report by the Board of Trade enumerates 258 parking spaces in the center of Town of which 80 are provided by employers for their employees. This leaves 178 public parking spaces within the compact area of town for customers, visitors, and general public. The recommendation of the Budget Committee is that parking areas, less expensive than the Boston & Maine property, be located a short distance from the center of the business district for the use of those requiring all day parking facilities. With the cooperation of all employers and employees of the area, all 178 public parking spaces would then be available for customers and general public.

Article 22:

The Budget Committee recommends that the Selectmen be authorized to purchase a suitable used power shovel at a price not to exceed \$3500.00 but that such funds be taken from the Capital Reserve Fund of the Highway Department.

Article 23:

Rather than appropriate \$3000.00 to the Capital Reserve Fund towards the painting of the Town House building at some future date, we feel the areas most in need should be done at this time. Therefore we would recommend an appropriation of \$3000.00 this year to do as much painting as this amount will allow. Bids should be called for after specifications have been established.

Article 25:

A portion of the Budget Committee met with the Selectmen and a representative of Camp, Dresser & McKee, Engineers, in a hastily convened meeting and our information regarding the proposed pipe laying is rather sketchy. We feel it unwise to spend any money for pipes until a sewage plan has been adopted.

SCHOOL BUDGET

During the past year, we on the Budget Committee have been in close touch with the School Board and the Superintendent of Schools on budget matters. Concrete consideration of budgetary matters was begun in the early part of December. Numerous meetings were held with the School Board as a result of which savings amounting to \$8868.00 were effected in the 1959-60 School Budget.

| | |
|---|-----------|
| Folding Gates for corridors — deleted | \$750 00 |
| 12 desks and chairs — postponed | 264 00 |
| 2 record players — postponed | 130 00 |
| Fencing — substitution | 954 00 |
| Mechanical drawing desks — substitution | 920 00 |
| Hydrant — deleted | 2850 00 |
| Contingent Fund — reduced | 3000 00 |
| Total | \$8868 00 |

You will note that none of the above items disturbs the quantity or quality of instruction offered.

We realize that the estimated School Assessment for 1959-60 is still \$38,000.00 in excess of the current year's revised budget. The increase is partly due to the implementing of an Industrial Arts program representing teacher's salary of \$4200.00 and new equipment costing \$2300.00. Another \$4400.00 is accounted for by decreased tuition and income from trust funds. Additions and Improvements amount to \$5765.00 compared with \$1650.00 in the current year. This increase is reflected principally in two items:

| | |
|---|-----------|
| Tarring drives and parking areas | \$2835 00 |
| Aluminum shade screening in Elementary Section | 1000 00 |

The perennial question of teachers' salaries was thoroughly reviewed by the Budget Committee and we concur with the School Board that the revised salary schedule is fair. We recommend, however, that rules regarding the dependency credit be formulated and adhered to.

The Budget Committee wishes to thank the School Board and the Selectmen for their courtesy and cooperation during our deliberations and especially would like to compliment the School Board on the detailed manner in which their budget was presented.

As an aid to future committees, we suggest that cost figures be made available at an earlier date so as to allow ample time for study and formulation of recommendations.

Respectfully submitted,

Feb. 24, 1959

LIBRARIAN'S REPORT FOR THE PETERBOROUGH TOWN LIBRARY

To the Trustees of the Peterborough Town Library:

It is with personal pride that we present this report concerning the progress of the Peterborough Town Library, recapitulating upon some of the more meaningful events for the year 1958, and attempting to prophesy concerning some of the literary and cultural activities for the year 1959.

Possibly the only snag and jolt which the library experienced came on November 1 when Mrs. William Hunter, assistant librarian, and a staff member for thirty-one years, resigned due to family commitments. Because of Mrs. Hunter's devoted service to the library, she was not allowed to retire, but has been made a permanent member of the staff, *ex officio*, and it is hoped she will continue to work with us in times of trouble and emergencies.

We were indeed fortunate to secure the services of Mrs. William R. Caldwell who has replaced Mrs. William Hunter. May she too remain with us for thirty-one years! Mr. David Rochford also joined our staff, assuming the duties of the custodian. Both of these conscientious people are members of the alumni of the American Guernsey Cattle Club.

On January 2, 1958, the library quite unassumingly offered a new service to its patrons: the privilege of borrowing long playing, high fidelity records, as well as the 78 RPM records of years past. This, incidentally, is in marked contrast to many other libraries which charge five or ten cents for the rental of each record. With no special funds earmarked for this project, we have acquired almost \$500.00 worth of recordings ranging from Rachmaninoff's Symphony No. 2, in E. Minor, Op. 27, winding through selections by Mantovani, Melachrino, E. Power Biggs, The King and I, and Liberace playing Chopin. According to our bookkeeper, Mrs. William Caldwell, 681 records were borrowed during the year, one damaged, and none lost. An encouraging beginning for any library.

The library was a fortunate recipient with its gifts, varied and sundry. Over 2,500 books were given to the library by interested friends. Many of these were duplicates, so with the permission of the trustees, these were in turn presented to other worthy institutions less fortunate than Peterborough.

| | |
|------------------------------------|--------|
| Volumes in library, December, 1957 | 30,772 |
| Volumes purchased | 1,500 |
| Gift volumes accessioned | 1,200 |
| Volumes withdrawn | 800 |
| Volumes in library, December, 1958 | 32,672 |

The ladies of the Cheney-Armstrong Unit No. 5, American Legion Auxiliary, have continued their time-honored custom of

placing one volume each month upon the shelves of the library. Miss Esther Jackson and Mrs. M. K. Pierce have consistently provided us with recent books. Mr. Horace Morison, in addition to giving us many priceless, old volumes, presented the library with a Boston Daily Advertiser, dated April 15, 1865, which gives a fascinating account of the assassination of President Lincoln. Friends of the late Dr. Herbert E. Flewelling provide the funds for the purchase of American Heritage Magazine in his memory. A perpetual fund has been established by the late Mrs. Harriet A. Fanning to honor the memory of the late Mrs. Ola Myhaver. Miss Mary W. Ball, formerly of Peterborough, donated a work of art executed by the distinguished artist, Peter Hunt of Cape Cod.

Mr. Kimball Flaccus, former member of the MacDowell Colony and one of America's younger outstanding poets, presented the library with the original manuscript of "Trinkets," a poem inspired by a church bazaar held in Peterborough this past summer. Mr. Everett Clement enrolled the library as a member of the National Investigations Committee on Aerial Phenomena, and we are now receiving NICAP, its magazine which gives in detail the latest information or accounts of sightings, editorials, and other published stories on flying saucers. Through the instigation of Mrs. H. S. Woods the Christian Science Church has subscribed to the Christian Science Monitor for the library. Publicly and sincerely may we say thank you.

| | |
|----------------------------|--------|
| Periodicals purchased | 40 |
| Gift periodicals | 11 |
| Paintings—reproductions | 73 |
| Pamphlets | 300 |
| Picture puzzles | 250 |
| Periodicals circulated | 3,960 |
| Paintings circulated | 127 |
| Pamphlets circulated | 154 |
| Picture puzzles circulated | 63 |
| Reading room attendance | 6,017 |
| 1958 registrations | 339 |
| Volumes circulated | 38,871 |

The adult reading room was provided with venetian blinds, facilities to store the bound Transcripts, and book rests to display more advantageously large books. Funds for these expenditures came from fines and gifts. The upper stacks in the stackroom were radically facelifted with red battleship linoleum and the shelves were painted a vivid red. The basement stacks also received a thorough housecleaning, and the shelves were painted jonquil yellow. Let it never be said that a library must be dusty, drab, and colorless to be efficient!

To continue with the physical condition of the building. We have now installed all necessary heating and plumbing facilities in the new basement or the Peterborough Library Hall and

Trustees' Conference Room. This was efficiently done by Orvel B. Peirce Company. All necessary masonry was done by Mr. John Zanga. Post Products of Auburndale, Massachusetts, installed an incombustible acoustic tile ceiling. Mr. Frank W. Rainier handled the necessary electrical installation, and Mr. Otis Farhm supervised all necessary painting.

During the early part of 1959, 50 folding chairs, a conference or directors' table, and 8 Chippendale directors' chairs will be purchased, all to be used for the Peterborough Library Hall. Cultural and literary activities should be enlarged through the use of this additional space.

Rules and regulations pertaining to the use of the Hall have been formulated by the trustees of the library, and will be included with this report for the convenience of the public. All requests for the use of the Hall will be made through the librarian's office.

According to the trustees, the Peterborough Library Hall was erected and furnished in order to enlarge the cultural and literary activities of the Peterborough Town Library. The facilities of the Hall and the Trustees' Conference Room are to be used for the following purposes:

Reading groups, Story hours, Educational movies or slides, Lectures of an educational nature, Fine Art exhibits and discussions, Creative craft exhibits and discussions, Music appreciation, Discussion groups; Special committee meetings for the town or for groups, but not regular meetings of either.

Meetings of any other nature than the above may be held with the consent of the Library Trustees.

All groups must be supervised. No admission fees are to be charged. No meals are to be served. A tariff of \$5.00 will be charged to cover lights, heat, janitorial and other services for any meeting that extends beyond 8:00 P. M., or commences after 8:00 P. M.

Library hours: Monday, 12 to 8; Tuesday, Wednesday, Thursday, Friday, and Saturday, 2 to 8. For the convenience of our patrons, books may be renewed via telephone. Patrons may withdraw as many books within reason as they would like, and the reading public and visitors are encouraged to take advantage of the various cultural and literary facilities of the library.

Respectfully submitted,

ALLAN J. BERTRAND
Librarian

REPORT OF POLICE DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my annual report for the year ending December 31, 1958.

STATISTICS ON ARRESTS

| | | |
|------------------------------------|-------|-----|
| Number of persons arrested, male | 154 | |
| Number of persons arrested, female | 18 | |
| | <hr/> | |
| Arrests | | 172 |
| Offenses | | 186 |
| Residents | 34 | |

Clerk of Court

REPORT OF THE CHIEF OF THE FIRE DEPARTMENT

To the Selectmen of Peterborough:

I submit my report from Jan. 1, 1958 to Dec. 31, 1958.

| | | |
|----------------|-------|----|
| Alarms | 18 | |
| False | 2 | |
| | <hr/> | 20 |
| Building Fires | 3 | |
| Brush | 6 | |
| Chimney | 5 | |
| Car | 4 | |
| False | 2 | |
| | <hr/> | 20 |

The Department wishes to thank the citizens of the Town for their cooperation in keeping our fire loss to a minimum. It is your interest and untiring effort that will help prevent major disasters in our town.

J. FREDERICK WEBB
Chief

You Can Help Prevent Forest Fires

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning—brush, paper, leaves, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as (\$200) two hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc., cut on your property. Eliminate the hazard of burning yourself. It will be easier for you—personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty. Use your town dump.

Number of local fires 2

Number of acres burned .20

Number of permits issued 128

WINTHROP HANNAFORD
District Fire Chief

J. FREDERICK WEBB
Forest Fire Warden

REPORT OF TOWN PUTNAM PARK COMMITTEE

February 10, 1959.

This Committee was appointed April 1, 1957 to work with the Putnam Park associates for the development of the Park over a five year period.

The following is the progress which has taken place in our two years as serving in this capacity, and the total amount of money which has been received from 160 individual people and organizations interested in the Park.

Total cash received to date \$4,405.21. In addition to cash donations an amount equal to another \$1,000.00 has been given in labor, peastone, shrubs, fertilizer, loam, trucking, plumbing and use of heavy equipment.

The following has been accomplished: The land has been cleared, graded, loamed, fertilized, rototilled and planted with grass seed. Paths laid out and trees and shrubs planted. A rustic fence has been installed on the south boundary, and along the east side a granite wall erected, a memorial to the late Carleton A. Wheeler.

This year it is our plan to improve conditions in the rear of the Park and clear along the river bank, in order to enlarge the view of the waterfalls. Also to plant laurel near the woods and along river bank. And if possible to surface all the paths.

MARTIN J. KEENAN

KATHARINE LEE

GEORGE A. MORISON

ALBERT BRIGHTON

RUTH N. WRIGHT

Putnam Park Committee

REPORT OF ADAMS PLAYGROUND COMMITTEE

The summer program at the playground and pool was under the supervision of Walter Richardson, Physical Education instructor at Peterborough High School. A nine weeks' season of varied activities proved attractive to a larger number of children than ever before. Swimming and life-saving lessons were under the direction of Brenda Blomgren and Betty Cullinan with assistance from Rita O'Connor who also handled the arts and crafts program. Harold Haywood, in charge of maintenance, Joseph Hall, playground co-ordinator, and Jane Stewart, bath house attendant, completed the summer staff.

The pool was re-caulked and painted and a new diving board installed prior to opening. The grounds and buildings were greatly improved in appearance during the summer through the diligence of the staff.

This winter the new skating rink at the playground was turned over to the Committee and Harold Haywood was employed to maintain the ice and give supervision to the activities there. This has proved popular, especially with the younger children, so far this year. It is hoped that this rink will serve as two tennis courts next summer after the installation of the necessary backstops and equipment.

The Committee extends its thanks to the staff, the town officers and all other citizens who have assisted us in providing what we feel has been a good recreational program during this past year.

Respectfully,

HENRY H. FRANKLIN, Chairman
GERALD H. FAUNCE
LAWRENCE C. BISHOP
HARRISON LOWE
ROY GAVITT

PLANNING BOARD REPORT

Projects occupying the attention of the Planning Board this year:

1. It was suggested that a water sports area for the Town would be an added attraction and the MacDowell Dam area was investigated. Through Congressman Bass it was learned that no prospects for exploring the matter further were available. The leases, liens, etc., were based on a "dry dam" and "natural flow" of existing stream basis.

2. The State Planning and Development Commission, Selectmen, Board of Trade and the Planning Board conferred several times in relation to parking facilities. Funds were not available for a comprehensive study but the Board of Trade made a survey and after a conference an article was placed in the Town Warrant suggesting procedure for alleviating the parking congestion.

3. The suggestion was made that the dams in the Town in the area of the Grove Street bridge and the Main Street bridge should be preserved for the beauty of these areas. An article in the Town Warrant will give the citizens of Peterborough an opportunity to accomplish this suggestion.

4. The Planning Board is charged with the duty of road and street programs for the Town. Accordingly, the matter was reviewed with the Selectmen and the program for 1959 embodied in an article appearing in the Town Report is the result.

5. The Town voted at the 1958 Town Meeting to establish Land Subdivision Regulations. This has been done, the matter properly recorded and is in operation.

March, 1959

1958 REPORT OF THE RECREATION COMMITTEE

Continuing the work of developing the swimming pool area into a permanent skating rink, started in 1957, the Recreation Committee engaged the services of a professional planner, Mr. G. Leslie Lynch on the staff of the National Recreation Association, to create a plan for the present and future development of the Adams Playground Area, taking maximum advantage of those facilities already in existence.

With the aid of preliminary plans, the Committee proceeded with the construction of the year round recreation area which would double as a skating rink in winter and tennis courts or other recreational facility in other seasons. Mr. Richard Cameron, contractor of Keene, New Hampshire, was selected due to his experience in building this type of area in other communities. The rink which he constructed was turned over to the Town for administration by the Adams Playground Committee late in the fall and has been in almost constant use since that time. In this connection, we are indebted to Edmund J. Paradise, Superintendent of the Peterborough Water Department, for his co-operation in making this possible.

Since the planning work, incorporating suggestions of the Adams Playground Committee, is still proceeding and since further improvements to this all purpose area will be needed this spring to bring the proposed tennis courts to a state of readiness, such as the installation of nets, backstops, surfacing, etc., this report is submitted as one of progress and your committee wishes to continue its study of the recreational program for another year.

Respectfully submitted,

B. REPORT OF THE PETERBOROUGH MERIT TEACHERS' STUDY COMMITTEE

The Peterborough Merit Teachers' Study Committee has been working since the last annual Town Meeting. After careful consideration, and with the realization that the key to success in this venture lies in the strength and capabilities of the administration, together with the cooperation of the teaching staff, we offer the following recommendations:

1. That a salary schedule realistic enough to meet the cost of living be maintained and adjusted annually to keep abreast of current changes.
2. That the administrative personnel recommend teachers to the School Board for merit pay beyond the existing salary schedule.
3. That the appended criteria for selecting merit teachers be made a supplement to, and be incorporated in the salary schedule for 1959-60.

CRITERIA FOR THE SELECTION OF A MERIT TEACHER

When the recommendation is made to the School Board by the Superintendent and/or other administrative personnel, the Board may approve an added salary increment to such teachers who have rendered exceptional or meritorious service to the pupils, the school, and the community.

In general, a "merit teacher" is one who exhibits many of the following characteristics:

1. Has demonstrated exceptional classroom teaching over an extended period of time.
2. Assumes tasks and responsibilities over and above the call of duty.
3. Gives evidence of faculty leadership,
4. Has shown a willingness to share a portion of the load of a fellow teacher,
5. Has engaged in projects of an experimental or research nature to improve the over-all efforts of the school, which extends beyond the borders of the individual classroom,
6. Manifests a willingness to participate in professional activities both within and without the framework of the school program,
7. Gives evidence of pride in, and appreciation of, the importance of the teaching profession.

C. NO-SCHOOL SIGNAL

In case of emergency when it seems inadvisable to have schools in session on any day, the No-School Signal will be given by sounding the signal 22 on the fire-alarm system at 7:30 a.m., and by having it announced over radio station WBZ at the same time approximately.

When the No-School Signal is given it means that there will be no school in all grades all day.

| Jan. | 4 | Schools reopen |
| Feb. | 19 | Schools close—Winter Vacation |
| Feb. | 29 | Schools reopen |

E. REPORT OF DISTRICT CLERK

Record of the Proceedings:

At a meeting of the inhabitants of the School District of Peterborough qualified to vote in School District Affairs, holden at the Town House in said District on Tuesday the 11th day of March, 1958, at 8:00 o'clock in the forenoon.

The Moderator, Maurice H. Blodgett presided and called the meeting to order, and proceeded with the business as follows:

After the reading of the Warrant, a motion was presented by Martin J. Keenan, that the polls of the Peterborough School District close at 1:00 P. M., and the District take up articles 5 through 15 of the School District Warrant at that time.

At 1:15 of the clock, the Moderator called the meeting to order and the High School Varsity Chorus sang the Peterborough Hymn, under the direction of Music Supervisor, Neil Bartlett with Florence Hancock at the piano.

Under Article 5, the following motion was presented by the School Board:

Moved: That the salaries of the District Officers for the ensuing year be as follows: Each School Board Member \$50.00, Treasurer \$75.00, Clerk \$10.00, Moderator \$10.00, Each Ballot Clerk \$5.00.

Motion passed.

Under Article 6, the following motion presented by the School Board was passed without discussion:

Moved: That the reports be accepted as printed and placed on file with the clerk.

Another motion under Article 6, made by Daniel Eneguess, Chairman of the Peterborough School Study Committee:

Moved: That the report of the Peterborough School Study Committee be accepted, and be it further moved that the School Board is instructed to carry out the recommendations of the Peterborough School Study Committee with the exceptions of Recommendations No. 3 and 5, these to be voted on under Article numbers 10 and 12.

Motion passed.

Under Article 6, a motion was passed that the Peterborough School Study Committee be dismissed with thanks.

Action also under Article 6, by the School Board:

Be it resolved that the District recognizes the desirability of holding the Annual meeting on such day and such time during the period prescribed by law, as the School Board may designate. After some discussion, the resolution was amended to hold the Annual School meeting at 7:00 in the evening on Town Meeting Day.

Motion passed as amended.

A motion, made by Mr. Keenan, was passed that the reports of the Clerk and Treasurer be accepted as printed.

Under Article 7: Motion by the School Board:

Moved: That the District petition the State Tax Commission to have an audit made by the Division of Municipal Accounting.

Motion passed without discussion.

Under Article 8, the following motion was presented by the School Board:

Moved: That the school district raise and appropriate \$286,314.00 and to authorize and direct the school board to apply against said appropriation such income as is estimated

by the school board exclusive of state aid to be received by the school district during the next fiscal year, to authorize and direct the school board to apply against such appropriation the sum to be received from state aid and with the school district clerk certify to the selectmen the balance as an assessment to be raised by the town for school purposes.

Mr. H. LeGro Lane, Chairman of the School Board, explained the various articles in the budget, pointing out the differences between last year's budget and the one proposed for this year. Most of the increase is being applied to teachers' salaries.

An amendment to this motion was presented by Mr. Walter Peterson, of the Budget Committee, as follows:

Moved: That the motion before the house be amended by substituting \$276,414.00 for \$286,314.00.

Mr. Peterson, in his plea for reduction of the budget, said that the Budget Committee felt that purchase of new tables for the cafeteria could be postponed for a year, and that teachers' salary increases could be cut. After considerable discussion by School Board members, Mr. Stewart, Mrs. Clement, Mr. Badger and others, the amendment was defeated and the motion was passed.

Another motion under Article 8, presented by Daniel Ene-guess:

Moved: That the salary and the teacher to whom it is paid be printed in the annual reports of the town of Peterborough annually.

Motion was passed.

Under Article 9, motion by the School Board:

Moved: That the school district adopt as its school check-list the Town check-list, as provided in RSA 197; 12a, as inserted by Laws of 1957, chapter 57; this provision to be effective for the 1959 and subsequent annual district meetings.

Motion passed without discussion.

Under Article 10, the following motion was presented by by Mr. Keenan, Chairman of Special Committee for Study of Central School Building and Lot: Moved: That the District authorize the Special Committee to sell the Central School Lot for the highest price possible, retaining the wire fence if the School Board so desires, and subject to any widening of the present Vine Street highway, or right of way for continuing the present highway to Vine Street.

Mr. Keenan said that his Committee was unanimously in favor of razing the Center School building, and that bids had

been received by the Committee, but they could not agree on the sale of the lot, having voted 4 in favor and 3 against the sale. He explained some of the problems involved in keeping the lot, such as drainage, cost of grading and fixing up the lot for playground use. Mrs. Clement of the School Board, asked the District to keep the lot for a while longer until the District decided they had no further use for it.

Motion was defeated.

Another motion under Article 10:

Moved: That the School District authorize the Special Committee to sell the Central School Building to the highest bidder.

Motion passed without discussion.

Also under Article 10, it was voted to continue the Special Committee for another year.

Article 11: No action taken.

Article 12: The following motion was presented by Daniel Eneguess, Chairman of School Study Committee:

Moved: That the School District increase the size of the Peterborough School Board from 3 to 6 members.

Speaking in favor of the motion, Mr. Eneguess said that the School Business had grown into really big business and one of the recommendations of his Committee was this increase in membership of the School Board. Mr. Jessie Warren spoke in favor. Opposing the motion was Kenneth Whiton, Mr. Badger, Elinor Blodgett. The Moderator appointed Dr. Lawrence, Dr. Weathers, Mr. Dane Cummings, Mr. Glazier as Tellers, and the vote was taken by a show of hands. There were 150 for and 223 against and the motion was lost.

Under Article 13, the following motion was presented by the School Board:

Moved: That the school district raise and appropriate the sum of \$1500.00 for further construction work in the school baseball diamond.

Mr. Lane, of the School Board, explained the need of this appropriation. An amendment to the motion was presented by the Budget Committee.

Moved: That the amount be amended to a maximum of \$1000.00 to be spent after bids have been received.

The amendment was defeated and the motion carried.

Under Article 14, a motion was presented by the School Board.

Moved: That the school district raise and appropriate the sum of \$2500.00 for the purchase and erection of a fence along the side of the school playground.

Mrs. Clement explained the need for the fence. Opposition was expressed by Mr. Musser, Dr. Tenney and others, as it was felt we could get along without this fence.

Motion was defeated.

Under Article 15, a motion was presented by the School Board.

Moved: That the school board be authorized to enter into contracts with other districts for the education of their pupils in Grades 1-12 for terms not exceeding five years at tuition rates equal to the appropriate State average cost per pupil of the current expenses of operation of all public schools in the State.

Motion was passed without discussion.

After a motion by Dr. Tenney, a rising vote of thanks was given by the district to our retiring School Board member, H. LeGro Lane for his faithful and devoted service as a member of the School Board for six years. After a motion by Richard Dart, the district also gave a rising vote of thanks to retiring School Superintendent, Lester B. Badger, in recognition of his faithful service to the School District for the past twelve years. The meeting was then recessed until after the ballots were counted.

Result of balloting for School District Officers:

For Moderator, Maurice M. Blodgett, 1117 votes.

For District Clerk, Helen A. Keenan, 1126 votes.

For District Treasurer, Robert W. Derby, 1117 votes.

For Member of School Board 3 years, Stanley W. Peters, 575 votes. Kenneth E. Whiton, 578 votes. Kenneth E. Whiton, having a majority of all the votes cast, was declared elected as Member of the School Board for 3 years.

The Moderator gave the oath of office to the newly elected officers, and the meeting was adjourned at 10:00 P. M.

HELEN A. KEENAN
District Clerk

F. WARRANT

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Peterborough qualified to vote in the district affairs:

You are hereby notified to meet at the Town House in said district on the 10th day of March, 1959, at 8:00 o'clock in the forenoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors, and Committees in relation to any subjects embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To see if the district will vote to appropriate the sum of \$1,350.00 from accumulative income from the Nichols' Fund to the current expenses of the school year 1958-59.
10. To see if the district will vote to raise and appropriate the sum of \$1,095.00 as a deficiency appropriation to be made available prior to June 30, 1959, such deficiency arising from loss of anticipated income for the school year 1958-59.

11. To see what sum of money the district will vote to raise and appropriate to erect a fence on the east side of the school ball field.

12. To see what sum of money the district will vote to raise and appropriate for summer maintenance of the school ball field.

13. To see if the district will vote to raise and appropriate the sum of \$300.00 for the continuation of the culvert at the Consolidated School.

14. To see what sum of money the district will vote to raise and appropriate for supervision of the buildings for use of out-of-school groups.

15. To see if the district will authorize the School Board to deed to the Town of Peterborough such land as is necessary to widen and extend Vine Street as proposed by a petition submitted to the Selectmen.

16. To see what sum the district will raise and appropriate for the purposes outlined under Titles III, V, or VIII, or any combination thereof, of the National Defense Education Act, Public Law 85-864, and to authorize the School Board to make application for, to accept on behalf of the district, and to apply against this appropriation any or all grants or other funds which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire under the provisions of the National Defense Education Act.

Given under our hands at said Peterborough this 23rd day of February, 1959.

ROBERT D. STEWART
MARGARET H. CLEMENT
KENNETH E. WHITON
School Board

There were several changes in the staff at Peterborough Consolidated School at the opening of school in September, 1958: Miss Laura-Beth Barry, Commercial; Mr. Kenneth F. Keough, Social Studies; Mrs. Joan T. McCabe, Mathematics; Mrs. Ruth S. Tobey, Grady 6; and Mrs. Lorna J. (Niemela) Letourneau, Grade 1. Mr. Ormsby J. Buck replaced Mr. Frank Petronzio as Art Supervisor.

B. SCHOOL PROGRAM

1. Report of the Elementary School Principal

A conscientious effort has been made this year, through faculty meetings, to develop a more effective curriculum. It was recommended that out-dated science textbooks be replaced by a series which will more adequately supplement the junior high curriculum. The new series offers greater opportunity for the teacher and pupils alike to make science more meaningful through the medium of experiments. A study of the Language Arts curriculum (includes English) makes evident the need for a text based on the language concepts established in the lower grades, yet directly related to the work pursued in the junior and senior high schools. A text has been selected which will meet these requirements and coordinate the language curriculum.

The teachers have continued to use the Gillingham approach to reading with children having a specific language difficulty. Because remarkable gains have been made with these children, a slightly modified Gillingham method has been developed for the other children in each class. As a result the pupils have not only acquired a greater understanding of the phonetic approach to reading, but distinct improvements have been noted in classroom performance and on achievement tests. We can proudly say there are few, if any, non-readers in our school because of our concentration on the fundamentals of reading.

An experiment in elementary oral French is being conducted this year with a selected group of fifth and sixth graders. Dr. James B. Conant has stated in many recent publications that the normal two-year foreign language offering in high schools is inadequate to meet increasingly restrictive college standards. Working on the theory that certain elementary youngsters can learn foreign languages effectively, many such experiments are being conducted throughout the country to determine how much French is retained by elementary pupils using the oral approach. So far our experiment has proven very effective. If successful, this effort may be expanded to include more youngsters in the upper grades in future years.

Last October the pupils in grades three through six were given the nationally standardized Iowa Achievement Test in an effort to scholastically appraise each student's ability. This test, similar to the achievement test given the high school students, covered eleven areas of study. Since our class and grade averages exceeded the national averages by at least four months of study, it is felt our faculty is doing an excellent job of teaching our children. Not content with these results, several meetings have been held to evaluate the results and to discover the weaknesses and strengths of our curriculum.

In the past our physical education schedule permitted our supervisors to meet with each elementary grade twice a week. Last fall the junior and senior high both increased by one class thus causing education instruction to be confined to the intermediate grades for one period a week. As the larger classes reach junior and senior high it may be necessary to eliminate the physical education instruction in the elementary schools.

Last spring the sixth grade spent a week at Sargent Camp. Plans are underway to send the present sixth grade this spring. We are fortunate to have such facilities available where the youngsters are given an opportunity to study science in its natural habitat. Since learning experiences at Sargent are closely allied with the curriculum, it is felt that this program is a valuable educational tool.

The members of the elementary staff have endeavored to keep up with the rapid changes in education. Several members attended extension courses, the most popular of which was in Language Arts offered by Boston University. Our teachers feel the courses have assisted them in making their teaching methods more effective and up-to-date.

Highlights during the school year include a Horribles parade at Halloween, the traditional Christmas assembly, and the Winter Carnival, in all of which pupils were encouraged to participate according to their abilities and interests. Such curricula activities greatly enhance the less talented pupils by giving them social status in the eyes of their peers.

Many of our classes have taken field trips in the community this year. The MacDowell Colony, the fire station, Noone's Mills, the Goyette Museum and the Old Town Farm have been the most popular choices. We wish to thank those who have offered assistance and have made these trips meaningful.

The teachers and faculty of the Elementary School would like to express their appreciation to the parents and the community for the support and cooperation they have rendered during the current school year. We in turn would like to cooperate with you by being available to talk with you regarding your child's progress.

RUEL J. HALL

Elementary Principal

2. Report of the High School Principal

The quality of the educational program being offered at any particular school is foremost in the minds of all parents. It is not enough just to provide a school for the youth of the community; it must be the best educational opportunity that the community can provide.

For the second consecutive year the Iowa Tests of Educational Development were given to all pupils in our high school. The average score received by our combined group was in the 93 percentile, which means that in every one hundred schools tested by this battery, Peterborough Consolidated School exceeded the scores of 92 schools. In view of the fact that the norms used were established upon a nation-wide testing of some 145,000 pupils, we feel that a reasonable degree of validity has been established, and that the scores of our pupils are very significant. A comparison of last year's results with the results of the current year show an average growth for the sophomore and senior classes approximately one and one-half times the normal expected growth. Of further significance is the fact that all of our high school grades compared very favorably with other grades in the public and private schools of New England. Your high school faculty spent a number of hours discussing the results with the test consultant, and plans are already under way to improve those areas requiring additional growth.

An Evaluative of the Curriculum and Educational Program of Peterborough Consolidated School which began last spring is being continued and should be completed in the spring of 1960. In order to maintain the approval of the New England Association of Colleges and Secondary Schools, such an evaluation is required periodically. The New England Association is the accrediting agency in this area, and its approval is necessary if our graduates are to enjoy certain privileges of entrance in member colleges. The evaluation also provides the mechanics for upgrading the educational offerings of our school and community.

It is only proper that we recognize those individuals who have been chosen for exceptional honors during the past year. Miss Sandra Howard, Class of 1958, won a \$7000.00 scholarship at Radcliffe College as one of the top award winners in the National Merit Scholarship Program in which 800,000 high school seniors participated. Previous to this award, Miss Howard received the French I award for New England and the French II award for New Hampshire. Miss Kasiani Hatsivasi-liou, Class of 1958, received a total of \$2700.00 in scholarships at the University of New Hampshire. This award has added significance when one realizes she left her native Greece two years ago, unable to speak a word of English, to study at Peterborough Consolidated School. She plans to enter the University next fall. Miss Carol Moore, Class of 1959, was invited to attend the University of New Hampshire as a member of the current freshman class, omitting her senior year of high school. Although she did not elect to accept the honor, it is no less a tribute to the young lady and her alma mater. Randall Lowe, Stephen Nazro, and Gerald Wheeler, all of the Class of 1959,

were among 100 scholars selected for the Advance Study Program at the summer session at St. Paul's School in Concord. This program was sponsored jointly by the Ford Foundation and St. Paul's School. At the completion of the accelerated program, in which a year's normal work load in a particular subject area was covered in six weeks, Randall Lowe and Gerald Wheeler were cited for special honors and Stephen Nazro was cited for honors.

All Hilanders were proud to learn that Miss Florence Hancock of our faculty was designated "Science Teacher of the Year" by the American Academy of Arts and Sciences in Boston last November. She was one of eight to be so honored in New England, the only teacher from New Hampshire and the only mathematics teacher in the group.

Although America was concerned about the quality of its public education and was making progress through such programs as President Eisenhower's White House Conference on Education, it took the successful launching into orbit of the Russian Sputnik to awaken an apathetic public to the educational needs of the nation. Admiral Rickover stated that secondary education was the first line of our national defense program and part of the millions allocated to national defense should be spent in improving the American educational system. The effects were far reaching. This year the enrollments in all of our science and mathematics courses have almost doubled. Every sophomore signed up for science, making it necessary to teach four biology classes each day; 65 out of a class of 75 students enrolled in Algebra II; additional textbooks had to be ordered for the advanced mathematics class studying college algebra; and homogeneous grouping in grades 7-12 was scheduled whenever possible in those subjects having multiple classes to enable all students to work at their greatest academic capacity.

A need for improved school library facilities was high on the list of recommendations made by the Committee on Minimum Standards for the State Department of Education last year. The English Department has accepted the challenge and with the assistance of a very active student library club and School District funds has launched a long range library program. Extensive library furniture has been purchased along with many new books. The Library Club works every day cataloging the books and getting them ready for circulation. Each student spends an average of one period a day in the library. The first twenty minutes of these periods is devoted to a formal study of the SRA text "How to Study", under the capable direction of an English teacher. This, in a large part, accounts for the tremendous student growth in the mechanics of studying as shown in the Iowa Test results.

It is only natural that emphasis has been placed on the academic accomplishments of the past year for this is the primary

function of your school. But on the other hand, a variety of co-curriculum activities have been made available to the students by enthusiastic teachers to provide a well-rounded program essential to individual student development. Our Student Council is an active member of the Monadnock Student Council Association. Last spring our Council was host to this association, entertaining 65 student leaders and their faculty advisors from surrounding communities for the day as the group met to discuss improved student government policies. The Code of Ethics drawn up by the Association has become a model for schools in the state. Ten members of the Glee Club were invited to sing in Manchester last year in the All State Chorus. Both our baseball and our soccer teams were quarter finalists in the N. H. I. A. A. State Tournaments. Our Transcript news groups are unique in school journalism in reaching their readers with such regularity and thoroughness.

In closing I extend my sincere appreciation to the citizens of Peterborough, the parents and friends of the Peterborough Consolidated School, and all the school personnel who have contributed so generously to the education of our young people.

LESTER R. ALDRICH

Principal

3. Report of the Supervisory Staff

Six months in Peterborough is too short a time to present a comprehensive report on your schools.

In general we are highly pleased with the school program, the quality of teaching and the sincere interest of the people of Peterborough in their schools. On the other hand, there are several things that we should like to consider at this time.

The School Board and the administration has given considerable attention to our Industrial Arts program. Initially we analyzed the needs and interest of the students, not only of the local but also of the tuition pupils from neighboring towns, which pupils comprise approximately one-half of our senior high school student body.

Industrial or Practical Arts Education is an important facet of general education. It has a contribution to make to **all pupils** in the secondary school, whether they are preparing to become professional workers, business people, or factory workers. Since it is for **all** of these groups, it must emphasize much **more** than industrial knowledge and experiences. Industrial Education is not essentially the development of skilled artisans, nor should it be considered terminal education.

Industrial or Practical Arts Education should have as its major general education objective the appreciation and understanding of the world of work in as great a variety as possible;

the sampling or exploration of elementary skills in a wide range of trade areas for orientation purposes; the identification of special skills, abilities and aptitudes that will assist students in determining career goals and provide a basis for specific guidance into specialized post-secondary training; and the stimulation of leisure time recreational skills and interests, no matter what the career may be.

The course offerings in Grades 7 thru 10 allow for exploration into five principal areas—woodworking, general metals, electricity, mechanical drawing, and auto mechanics or transportation. Through the experiences of the student in these years, he is given an opportunity to learn of these trade areas and to determine his personal capacities and interests, and in addition to acquire certain knowledge and skill for future avocational usage.

The offerings in Grades 11 and 12 reflect a slight shift in their purposes. As a result of the capacity and interest of the pupil as determined in the prior years in the program, he may now consider (1) returning to the General Education fields, or (2) to proceed further in the development of his interest and skills in specific areas, or (3) to enter into the Area Vocational Program of Auto Mechanics at the Conant High School in Jaffrey.

The 11th and 12th grade program at Peterborough Consolidated School also offers an opportunity for pupils in the academic or general curricula to move in and out of the Practical Arts Program as their interests and aptitudes may dictate.

A second area of attention in our high school program is with particular reference to providing a more adequate course of study for all pupils, not only for the pupils in need of remedial techniques, but also of the academically gifted. Most high school programs are aimed at the average pupil, and the pupils above or below this average group are provided for but accidentally. It is our feeling that we must provide a definite program for all of these groups, and steps are being taken in that direction.

We are proposing a two-tracked program on the junior and senior high school level. We are certain that many of our able pupils can move at a faster rate than at present, and, during the six years of their secondary education, complete a more meaningful program. Such a program as contemplated necessitates ability groupings in certain subject areas in the junior-senior high school, and also in certain intermediate grade levels.

RONALD P. SCOTT, Helping Teacher

LEWIS F. FOOTE, Superintendent of Schools

PART III. SCHOOL PLANT

A. Repairs

When the Peterborough Consolidated School opened in September, 1958, the students, teachers and everyone at the school found the building and grounds in tiptop condition. The residents of Peterborough and towns that send tuition students here can all be proud of the excellent cleaning, repairing and renewal work that was done at the school last summer under the supervision of Armas Kainu, head custodian. His regular assistants are Alden Brunell and Octave Jarest, who succeeded Buster Brown. David A. Nims, English instructor, and Richard Trufant, science instructor, were a big help with the refurbishing work at the school during the summer.

The general cleaning and repair work which is done each year, and was done this summer, includes washing the walls, pipes, floors, windows and lights in every room and waxing the floors. The gliders on every chair and desk are checked and many hundreds replaced each year. This protects the floors. A coat of gym finish, along with cleaning, was applied to the floors in the new gym and the cafeteria. The tops of 150 desks were refinished. All handrails were painted. All outside doors were painted.

Repair work in the high school building includes installing two new outside doors at the south end. Asphalt tile was laid in the first and second floor corridors. The bottom of the lockers in these corridors were boxed in. A drinking fountain was installed on the first floor as well as five electrical outlets in the corridors. The cabinets and baseboard in the Home Economics room were painted. The floor of the last classroom in the old building, which had not previously been repaired, was sanded and refinished. The outside metal frames of all windows in the old building were scraped and painted. This was needed badly and it was not expected to get them all finished this summer. The outside woodwork under the roof around the old gym was painted. Rodney Brown installed acoustic tile in the ceilings of two rooms. The ceilings of all rooms in the old building are now in good condition. A sump pump was installed in the boiler room.

In the new building a partition was removed in the teachers' room which is next to the Principal's office. This provides a larger room better adapted for the needs. A new light fixture and outlet were installed in the elementary principal's room. Dimmers for the stage flood lights have been installed as well as light switches for the gym lights on the main floor of the gym. Two bookcases were built for the junior high rooms. Shutoff valves were installed in the cold water system.

Commercial fertilizer was applied to all of the grounds except the ball field. The selectmen and Town Highway Departments were most cooperative in filling in washes in the bank at the east side of the athletic field and covering it with loam. The edge of the bank was raised to help prevent future washouts. The bank was seeded down with winter rye and grasses.

B. Insurance

| | |
|--|--------------|
| Fire & Extended Coverage on Peterborough Consolidated School and Contents | \$440,000 00 |
| Boiler Insurance, Property & Liability on Peterborough Consolidated School | 50,000 00 |
| Owners' & Tenants' Liability, including teachers each person | 100,000 00 |
| each accident | 300,000 00 |
| Workmen's Compensation & Employers' Liability | 25,000 00 |

PART IV. FINANCE

A. REPORT OF SCHOOL DISTRICT TREASURER

For the Fiscal Year July 1, 1957 to June 30, 1958

Summary

| | | |
|--|-------------------|--------------------|
| Cash on Hand July 1, 1957 (Treasurer's bank balance) | | \$1,200 03 |
| Received from Selectmen | | |
| Current Appropriation | \$197,990 00 | |
| Received from State Treasurer | | |
| State Funds | 7,500 00 | |
| Federal Funds | 5,167 67 | |
| Received from Tuitions | 56,609 83 | |
| Received from all Other Sources | 4,257 79 | |
| Total Receipts | | \$271,525 29 |
| Total Amount Available for Fiscal Year (Balance and Receipts) | | 272,725 32 |
| Less School Board Orders Paid | | 266,536 13 |
| Balance on Hand June 30, 1958 (Treasurer's Bank Balance) | | \$6,189 19 |
| June 24, 1958 | S/ROBERT W. DERBY | District Treasurer |

AUDITORS' CERTIFICATE

This is to certify that we have examined the books, vouchers bank statements and other financial records of the treasurer of the school district of Peterborough of which the above is a true summary for the fiscal year ending June 30, 1958 and find them correct in all respects.

F. STATE AUDITORS' REPORT

REPORT OF AN EXAMINATION AND AUDIT OF THE ACCOUNTS OF THE PETERBOROUGH SCHOOL DISTRICT, for the fiscal year ended June 30, 1958 made by The Division of Municipal Accounting, STATE TAX COMMISSION, June 27 and 30, 1958

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

July 8, 1958

The School Board
Peterborough School District
Peterborough, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Peterborough School District for the fiscal year ended June 30, 1958, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1957 and June 30, 1958, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$26,525.83 during the fiscal year ended June 30, 1958.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures-Estimated and Actual Revenues: Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1958, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a net unexpended balance of appropriations of \$7,367.92, less a revenue deficit of \$6,162.29, resulted in a net budget surplus of \$1,205.63.

Summary of Receipts and Expenditures: (Exhibit E-1)

A summary statement of receipts and expenditures for the fiscal year ended June 30, 1958, made up in accordance with the uniform classification of accounts, is included in Exhibit E-1. Proof of the Treasurer's balance as of June 30, 1958, is indicated in Exhibit E-1.

Building Fund Account: (Exhibit F)

A summarized statement showing the activity in the Building Fund Account during the fiscal year is presented in Exhibit F.

Statement of Bonded Debt: (Exhibit H)

A statement of the Bonded Indebtedness of the School District as of June 30, 1958, showing annual debt service requirements, is contained in Exhibit H.

GENERAL COMMENTS

Current Surplus:

It is noted that during the fiscal year ended June 30, 1958, the current surplus (excess of total assets over current liabilities) of the School District increased from \$1,085.47 to \$2,611.30, as indicated herewith:

| | June 30, '57 | June 30, '58 |
|---------------------|--------------|--------------|
| Total Assets | \$2,830 06 | \$7,893 83 |
| Current Liabilities | 1,744 59 | 5,282 53 |
| Current Surplus | \$1,085 47 | \$2,611 30 |

Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report of the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Peterborough School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Norval D. Lessels, Auditor
Laurence M. Bean, Accountant

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

July 8, 1958

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Peterborough School District for the fiscal year ended June 30, 1958, and found them to be in good order.

In our opinion, the Exhibits included herewith reflect the true financial condition of the School District as of June 30, 1958, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, Director
Division of Municipal Accounting
State Tax Commission

Norval D. Lessels, Auditor
Laurence M. Bean, Accountant

PART V. CHILD ACCOUNTING

A. GRADUATIONS FROM HIGH SCHOOL

Forty-nine students, as compared with forty-nine in 1957, and fifty-three in 1956, were graduated from Peterborough High School in June, 1958.

Following is a list of the graduates:

Gerald Abbott, Elizabeth Babneau, David Bishop, David Blanchette, David Boutwell, Susan Boyle, Margaret Buckley, Bonnie Bunce, John Bunce, Joan Cashion, Sylvia Church, Gene Clark, Carolyn Clukay, Faith Cochran, Dawna Curry, Patricia Daly, Paula Daly, Kenneth Davis, Edwin Farhm, Jean Glazier, Joseph Ferry, David Glynn, James Hadley, Kasiani Hatzivasilou, Russell Holt, Sandra Howard, Raymond Kendall, Janet Knight, Janice Knight, Louise Laferriere, Gertrude Lenane, William Lindsay, Rita Ludwig, MaryAnn MacNutt, Joyce Paine, Sydney Rainey, Kenneth Reed, John Robertson, Marilyn Robinson, Bruce Russell, Francis Shields, Kenneth Simonetta, Robert Stahl, Michael Sullivan, Harold Varnum, Elizabeth Wheeler, Dianne White, Katherine Wilder, and Gary Woodward.

What do Peterborough High School graduates do after graduation: The following is an indication:

| | |
|---|-------|
| Four-year college | 30.6% |
| Post-graduate study in secondary schools | 2.0% |
| Post-secondary schools other than four-year college | 16.3% |
| Employed | 30.6% |
| Armed Services | 18.4% |
| Unemployed | 2.1% |

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. HEALTH

To the Inhabitants and Taxpayers of the Peterborough School District.

Let us stop for a moment or two and reflect upon our purpose during the past year. Among our many objectives should have been making certain that the future generation is better qualified to meet its citizenship obligations.

I am sure you will agree with me that the individual human being is the basic unit of value in our society. Thus, it is essential that this individual be in top health. Please let me state an accepted definition of total fitness. "Total fitness in daily living is good health, thus a state of complete physical, mental, and social wellbeing and the foundation of joyous, zestful living." You will note that there are three aspects of good health: Physical, mental, and social. I feel that all three are so interwound that to stress or neglect one above the other could cause serious damage to the maturity of our children.

Back a few years, when the Child Conference was called by the President of the United States in Washington, D. C., the motto of the Conference was, "As the twig is bent". This theme was taken from Alexander Ope who wrote, "Tis education forms the common mind. Just as the twig is bent the tree's inclined". The "twig"—the child during his earlier years—is so pliable and impressionable and the victim of his environment that I feel the way we "bend the twig" is important.

I would like to express to each of you my appreciation for your cooperation during the past year. Hardly had my health notices reached home before a doctor's appointment and corrective steps were taken. You will never fully understand what this cooperation has meant to me, or probably to your children for a number of years to come.

The following is a report of the health services covered between the months of January through December, 1958:

| | |
|-------------------------------------|------|
| Physical Examinations | 346 |
| Physical Defects | 54 |
| Heights and Weights | 613 |
| Vision Screening | 387 |
| Audiometer Testing | 201 |
| Dental Correction (No. of children) | 65 |
| Sight Conservation (Glasses) | 20 |
| Individual Health Consultations | 1557 |
| Vitamin Program | 80 |
| Tuberculosis Patch Test | 300 |

| | |
|------------------------------|-----|
| Chest X-rays | 36 |
| Pre-school Physicals | 43 |
| Accident Insurance (Insured) | 573 |
| Home Contacts | 248 |
| Professional Contacts | 50 |

Again, as in the past, I cannot express fully my gratitude to the teachers of Peterborough Consolidated School for their close observations, referrals, and their understanding of the three aspects of total health. Thus, the combination of the three forces of the community—parents, organizations, and teachers—is steadily bending the twig in the three aspects of health. I wish to thank you now for the children who may be in outer space tomorrow will appreciate your coordinated efforts of today. We must in health education keep our sights high.

Let me conclude with the following paragraph written by Professor Jacques Parisot: “If health education can bring to each member of a group an enrichment of his personality, of his physical and mental health, and a true appreciation of his rights, it also pledges the individual to a sense of responsibility towards the community. In preparing the individual for such duties, health education becomes a source of civic education and social brotherhood”.

GLADYS NEWHALL, R. N.
School Nurse

PETERBOROUGH HYMN

A. D. 1620

God our Father!
 Glory Lord, to Thee!
Before whose voice
 Is mute the thund'ring sea!
Through wind and foam
 Thou lead'st us home—
To Thee be glory through eternity.

Lord, hunger and cold are nigh!
Lord, not for ourselves we cry—
Let not our children die!
Silence your loud alarms
God is our shield from harms—
He will make strong our arms.
Christ, who hath calmed the wave,
Christ will uphold the brave.
Christ, our Saviour!
 Father of our Faith!
To Thee we bring faint hearts and failing breath,
 Be Thou our Guide!
 With Thee we bide,
To love, to labor, and to hope till death!

EDWARD MACDOWELL
